A Christmas Carol - ibiblio

Once upon a time—of all the good days in the year, on Christmas Eve—old Scrooge sat busy in his counting-house It was cold, bleak, biting weather: foggy withal: and he could hear the people in the court outside, go wheezing up and down, beating their hands upon their breasts, and stamping their feet upon the pavement stones to warm them

Manley Valve Locks simply the best!

a “conventional” groove is dependent upon precise machining First, the surface finish of the groove must be outstanding to guarantee against failure due to residual machining marks Next, the groove must have a precise 0.13” radius in the upper corner Too small a radius leaves the groove subject to the dangers of a sharp fillet
